Hello Wendy,  
We have a plan in meeting/call today for the inspection at 2 pm. I am out of the office but will ensure Carol sees your note before the meeting.

Hi Carol,

Do you have an update on the inspection that you're planning? Will it happen before or after this meeting with local officials? Will someone from the Region attend this meeting?

Are you getting the support you need from OCSPP?

Best, Wendy

**Subject:** Upcoming GenX meeting

All,

Chemours will be meeting with local officials to discuss the GenX situation on Thursday, June 15 at the New Hanover County Government Center. (See story link below). There will be a media pool reporter in attendance, and also a scheduled post-meeting press conference. The meeting is private and not open to the public.

Cheryl and John – safe to assume EPA may get more questions following the event.
